

COVID-19 SAFETY PRECAUTIONS

Because everyone is essential

Taking precautions at home and work is the best way to prevent the spread of **COVID-19**. These simple steps have proven to be effective safeguards according to best available science.

Hand Washing

Wash your hands frequently with soap and water

Don't Touch

Avoid touching eyes, nose or mouth, especially with unwashed or unsanitized hands

Social Distance

Keep a minimum of six foot clearance from others whenever possible

Wear a Face Covering

Wear a face covering in public, anytime you will be in contact with others or in common areas at job sites and offices, and when traveling in a carpool and on public transit

Self-Check

Monitor your health before coming to work

Stay Home

If you feel sick, stay home and notify your manager you will not be in to work and email AskHR@mwdh2o.com or call (213) 217- 7738

Go Home

If you feel sick at work, notify your manager you are leaving work and email AskHR@mwdh2o.com or call (213) 217-7738

Home Protocols

Protect your household by applying these same preventative measures

Metropolitan is considered an essential service provider. We are also essential to each other and the people in our lives. Let's stay safe for everyone.
