

RESOLUTION R-17-17

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF
SAN MARINO IN SUPPORT OF CALIFORNIA WATERFIX
AND CALIFORNIA ECORESTORE**

WHEREAS, in April 2015, the Brown and Obama administration proposed a revised path to protecting water supplies that are imported from Northern California while restoring the declining ecosystem of the Sacramento-San Joaquin Delta;

WHEREAS, the new state-federal proposal identifies a new, preferred alternative within the Delta environmental review process that advances water system improvements as a stand-alone project while phasing in habitat restoration in a separate, but coordinated fashion;

WHEREAS, California WaterFix will provide a 9,000 cubic feet per second facility that will complement local water supply projects by allowing the safe capture of water in wet and above-normal years so that it can be stored and used in dry years;

WHEREAS, California EcoRestore will accelerate and implement a comprehensive suite of habitat restoration actions to support the long-term health of the Sacramento-San Joaquin Delta's native fish and wildlife species;

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of San Marino, California as follows:

SECTION 1. The City Council supports California WaterFix and California EcoRestore programs; and,

SECTION 2. A copy of this resolution shall be sent to our state legislative representatives and key members of the Administration.

SECTION 3. That the City Clerk shall certify to the adoption of this Resolution.

PASSED, APPROVED AND ADOPTED this 13th day of September, 2017.
