RE: Request for Brown Act Training

Dear Chair Record,

I am writing to request that MWD hold an ethics training with an emphasis on the Brown Act for the members of its Board of Directors. Although MWD has responded to a recently received Brown Act allegation, I think holding this additional training would complement MWD's response. The additional training would send a clear message to the public that MWD takes these assertions seriously and will take every measure possible to ensure MWD complies with the law. Additionally, it would provide an opportunity for Board members to further their knowledge of the Brown Act.

Sincerely,

Michael T. Hogan
Director
