

Building Water Awareness ___

Community Partnering Program.

About the Program

Sprinkled throughout Metropolitan's huge six-county service area are pockets of learning – conservation demonstration gardens, native garden tour stops, school programs and community workshops – all designed to teach about the importance of water. Their common thread is funding received through Metropolitan's Community Partnering Program, which provides up to \$3,000 in sponsorships to community-based organizations, including nonprofits, professional associations, educational institutions and public agencies.

Eligibility

Eligible projects include water-related educational outreach programs like community forums, workshops and water festivals, water-themed curriculum and supplies for grades K-12, after-school programs, exhibits, promotional materials and native plant and California Friendly® garden signage. Projects in underserved communities are especially encouraged to apply for sponsorships.

Priority is given to applicants within our six-county service area, Los Angeles, Orange, Riverside, San Bernardino, San Diego and Ventura counties who have member agency involvement. On occasion, applications outside the service area that address Metropolitan's mission and promote regional priorities, such as water conservation and water-use efficiency, may be approved.

Visit our website at www.mwdh2o.com/member-agencies/ to locate your member agency by entering your zip code at the top of the web page.

About Metropolitan

The Metropolitan Water District of Southern California is a state-established cooperative of 26 member agencies – cities and public water agencies – that serve 19 million people in six counties. Metropolitan imports water from the Colorado River and Northern California to supplement local supplies and helps its members develop increased water conservation, recycling, storage and other resource management programs.

Eligibility

Funding is available to local, regional, state and national organizations with a Sec. 501(c) 3 tax status, non-profit educational institutions and public agencies. Funding is also available to organizations having 501(c)(4), 501(c)(6) and 501(c)(12) tax status.

Recurring applicants seeking funding for similarly approved projects are encouraged to build upon the project objectives and develop new elements for sponsorship consideration. Metropolitan does not guarantee consecutive-year sponsorships.

Application Review

Sponsorship applications are reviewed throughout the year, and funding is limited and may be depleted prior to the end of the fiscal year (June 30). Applications must be submitted at least 30 days prior to the start date of the event or program.
