Q: can you ask him to go back to the last slide (conservation?)[Suzanne Faubl] [sfaubl@nwri-usa.org] [Q: 10:47 AM] [A: 11:25 AM]

A: Thanks

Q: (Under the sub-regional direct use category) Is anyone aware of any legislative efforts in regards to the relatively expensive Water Rights permit process (i.e. CEQA & Water Availability Modeling) to allow waivers for school districts, universities, public parks and other non-ornamental landscape owners (i.e. sports fields, playgrounds, golf courses) to capture stormwater directly from adjacent creeks during storm events for storage and later use to help meet long term water use reduction goals?[Charles Busslinger] [charles.busslinger@ocpw.ocgov.com] [Q: 10:50 AM] [A: 11:25 AM]

A: Thanks

Q: Could we have a copy of slides?[Jason Wen] [jwen@downeyca.org] [Q: 2:54 PM]

Q: Thanks, great program.[Jason Wen] [jwen@downeyca.org] [Q: 2:54 PM]
