I chose RCTM because it stands for Rachel Carson Tunnel machine. She was a freshwater scientist.

Some people might have heard of Silent Spring it was the book she published. Rachel was important because she was the woman who challenged the notion that humans could obtain mastery over nature by chemicals, bomb and space travel than her studies of the ocean life.

Carson loved writing and nature. Her wise words were "Those who extol the beauty of the earth find reserves of strength that will endure as long as life lasts. There were some facts and why I chose RCTM for the contest.
